20 March 2020

Dear Parents/Carers,

As a country, we all need to do what we can to reduce the spread of the COVID-19 virus. The government has issued clear guidance for educational establishments on maintaining educational provision. Please follow the link below:

<https://www.gov.uk/government/publications/coronavirus-covid-19-maintaining-educational-provision/guidance-for-schools-colleges-and-local-authorities-on-maintaining-educational-provision>

We would like to reassure families that we are following all DfE guidance and making appropriate provision for the children of vulnerable families and key workers.

We will maintain contact with you throughout the period of partial closure and update you as and when we receive more information.

If you have registered with us as a key worker or if you have been invited to send your child to school because of their specific needs you will receive a separate communication about the provision school has put in place for your child. If you do not receive this communication please do not send your child to school on Monday.

Yours sincerely,

Mrs Kerry McCullagh
Acting Principal
