

9th July 2021

Dear Parents/Carers,

I hope you have had an enjoyable start to the summer holiday.

Within our community there will be range of responses to the announcement on the lifting of so many restrictions that have become the new normal over the past year. We're pleased that there's the sense of the beginning of the end to the pandemic, relief that so much disruption to young people's education may finally end, but disquiet about the scale of the shift from so many restrictions to so few. We are working with Bristol City Council and our Trust team to digest what this means for Montpelier High School to ensure that we make full use of these new freedoms whilst ensuring the safety of all.

I will write again over the summer with updates in due course.

MHS Uniform List 2021 - 2022

Details of the Montpelier High School Uniform can be found on the attached document.

Recycling uniform

We are planning to work with the MShed to develop a display to record and display the name change consultation process. Our STEAM and Art textiles teams would welcome donations of old uniforms to be used as part of this project to mark our historic name change. Moreover, Monkhouse our uniform suppliers are donating unused and newly new uniform. Please send any unwanted CGS school uniform into school in September and we will sort and donate or recycle it.

Year 10 Reports

Year 10 reports will be posted home today.

Free School Meals – Summer holidays

We have just received notification that the council has received further funding from the Covid Local Support Grant to support the delivery of supermarket e-vouchers for families who are eligible for FSM, and as such we will issue vouchers in due course to those eligible families.

LFD

Thank you to everyone who has continued to help keep school COVID safe by undertaking twice weekly LFD tests. Please continue to report test results to the NHS however, now that we have finished term for the summer and carried out track and trace for two days after the end of term, we are no longer require for the results to be uploaded via the school website.

Have a lovely summer,

Best wishes

Mrs Kerry McCullagh
Principal
