

19th October 2021

Dear colleague,

Each year, we will provide a report to our staff, parents, carers and other stakeholders to explain how we are progressing towards our ambitious goal.

Our goal is to improve outcomes for every child by making sure that each young person leaves school with the knowledge, life skills, values and personal qualities to thrive in an increasingly competitive and challenging world.

Across Venturers Trust we want to build, together with you, a welcoming and supportive community in which all children will be happy and successful.

Over the next few weeks, we will be holding a meeting for each Venturers Trust school. Ideally, these meetings would be in person, but to keep each other safe while the pandemic remains a risk, this year's meetings will be held online.

We therefore invite you to join us virtually on **Tuesday 2nd November 2021 at 6pm. Please email info@venturerstrust.org to register your interest** in attending the event for Montpelier High School. A Microsoft Teams link will be emailed to you, to enable you to join the meeting.

During the meeting, we will explain how and why our vision and strategy seeks to make a positive difference to all students from all backgrounds, all of whom have the ability to succeed.

We also want to listen to your school community and understand how we can work together most effectively to bring our ambitious goal to life.

We look forward to meeting you soon.

Yours faithfully,

David Watson
