

## **Safeguarding CGS & V6 Staff 2019-20**

Please be aware that we do not tolerate aggressive behaviour or language directed at any member of CGS staff – if this should happen, you will be given a copy of this statement and be asked to leave the school site immediately. In cases, where staff are subjected to verbal abuse, aggressive or inappropriate language via a telephone conversation or email, these communications will be halted and blocked immediately.

Thank you for support and consideration.
