RE: Social Media Evening

Dear Parent/Carer,

The Wellbeing team at Colston's Girls' School would like to invite you to an information evening to become more confident at supporting your child with social media and other forms of technology.

During this evening, we will discuss the common forms of social media used and how they might impact negatively on your child's wellbeing. We will also discuss the use of other technologies, such as Netflix and computer games. Finally, we will provide you with strategies to help support your child with technology.

It will take place **Tuesday 22nd October, 5.30pm to 6:00pm.**

To confirm your attendance, please email rachael.jones@colstonsgirls.org

If you have further questions about this evening, please contact me using the above email address provided.

Yours faithfully,

Rachael Jones
Head of Student Support Services
